MARCHING BAND

SEEKING REHEARAL SPACE

Are you aware of spaces that could support the growth of our LGBTQIA+ Marching Band? Our needs include:

- **Large Indoor Space:** For our indoor rehearsals, we need a spacious area that can accommodate our full band.
- **Flat Outdoor Space:** Ideal for our guard to practice their routines.
- **Neighborhood Streets or Trails:** A neighborhood or area with low traffic and wide paths suitable for marching in formation.
- **Onsite Drum Storage:** A space we can rent to store our drums and other equipment.
- **Accessibility:** Prefer central location with frequent transit access.
